

FILMING RWANDA

LOCATION TOURS

We organize location tours & recces, and we give support for research and preparation; for meeting professionals and for assessing various locations.

LIAISON WITH PUBLIC AUTHORITIES

Administrative support with public authorities at national and local levels.

SUPPORT WITH SHOOTING PERMITS

We give administrative support and act as liaison between International productions and various authorities involved in shooting permit delivery

LOGISTICS SUPPORT

We support you in organizing the transport of people and equipment; we provide administration support for easy travel of long convoys.

We assist you during the preparation of visas requests.

DIVERSE LOCATIONS:

- Vibrant urban landscapes
- Lush jungle and the biggest protected rainforest in Africa
- Volcanoes and silver back gorillas
- Dry savanna
- Charming rural areas
- Breathtaking waterscapes
- Rwanda's diverse locations, allows to double any other African, Asian and South American location in just few hours driving distance

ACCESS TO LOCATIONS:

- Excellent road infrastructures
- Rwanda being a small country in size, from the capital all locations can be reached in maximum 5 hours driving distance

WEATHER:

- Rwanda's relatively high altitude provides it with a remarkably pleasant tropical highland climate
- Rwanda has a diverse geography and day temperature can go as low as 50c in mountain areas during rainy season, up to 300c in dry season lower altitude regions

FILM PROFESSIONALS:

- Rwanda has a growing film industry, where technical, creative and performing skills are available
- Assistants and extras can be easily hired

RWANDA IS IDEAL FOR:

- Wild life documentaries
- Feature films and TV series
- Commercials
- TV shows and more

AIRLINE CONNECTIVITY

- Daily direct flights to Europe, Middle East, China, India and majority of African countries

RWANDA IS:

- #1 in Africa for ease of doing business (World Bank, 2016)
- 9th safest country in the world (WEF, 2015)

ICT LEADER ON THE AFRICAN CONTINENT

- #1 for networked readiness (WEF, 2015)
- #1 for availability of latest technology (WEF, 2015)
- Reliable communication infrastructure: 7,000 km of fiber optic and 95% coverage of 4G LTE

VISA PROCESSES:

- Easy and quick online migration processes (www.migration.gov.rw)

SUPPORT WITH CUSTOMS PROCEDURES

Support you regarding customs processes and clearance of temporary imported technical equipment

LIASON WITH LOCAL PROFESSIONALS AND SERVICE PROVIDERS

We put you in touch with local film professionals and we provide assistance for obtaining preferential rates from other service providers such as hotels and catering.

NEGOTIATIONS WITH LOCAL SERVICE PROVIDERS

Our objective is also to maximize cost-effectiveness for producers who choose Rwanda as their filming locations. Within our pool of service providers, we will ensure that the best rates apply to your project

WE ARE YOUR LASTING PARTNER

Our support services are available to you even after production; we are available to assist with any queries related to the production you had in Rwanda with our support
